FOREWORD

With this issue, the Student Directory is reduced in bulk and subject matter and becomes a supplement to the Student Handbook, the latter being handed out to each student at the beginning of the academic year.

This policy will give each student the information which should be at his disposal at the beginning of the year, in the Handbook. Additional information which of necessity does not become known until after the start of the year - specifically, the list of registered students, and the officers of the classes and campus organizations - will be included with the pictures of freshmen and transfer students in the Directory.

The advantages of this policy are obvious: a breaking down of information into the two publications; a saving of time as a result of this action; and less wear and tear on the editors.

This policy also allows corrections to the Handbook to be made. Such is the case in including the new basketball schedule, revised after the printing of the Handbook.

Words of thanks are due to the Directory advisor, Mrs. Marjorie Tyner, for her time and valuable advice, and to my co-editor, Bob Fisher, who took care of some of the small tasks so easily overlooked.

If two or fewer candidates receive votes on more than 75% of the ballots cast on either of the first two ballots, the third ballot, consisting of all remaining candidates, automatically becomes the final ballot, with the candidates having the highest number of votes filling the remaining offices.

c. The procedure for election of the treasurer, secretary, vice-president, and president is that two primary ballots shall be held; and, if by that time one candidate shall have received the majority of votes he shall be considered duly elected whether it be on the first or second ballot. b. 1. Absentee ballots for the Student's Association representatives at large shall provide for listing only three first choice votes.

2. Absentee ballots for the Student's Association treasurer, secretary, vice-president, and president shall provide for listing first and second choice votes. Should the first choice candidates withdraw, the second choice candidates shall be honored. Should the second choice candidates also withdraw, the ballot shall be counted as a blank for the office in question.

c. Absentee ballots shall be counted on all ballots.

d. A list of names of all absentee balloters shall be posted 36 hours before election time. This will be handled by the Election Commission.

e. Absentee ballots must be challenged at least two hours before election.

ARTICLE 6 - FRESHMEN CLASS

Section 1. The president of the Students' Association shall call to order the first freshman class meeting of the school year, and conduct this meeting until such time as a regular president is elected by the freshmen class. Section 2. The officers of this committee shall be a chairman, vice-chairman, and secretary-treasurer, elected from and by the board. Their duties shall be such as pertain to these offices.

Section 3. Members of the committee shall be elected in the following manner: In the third week in April the freshmen, sophomore, and junior classes shall nominate four candidates; at the first meeting of the Students' Association in May, an election shall be held in which the student receiving the greatest number of votes in each class shall be the class representative; and, of the remaining candidates, the one who received the greatest number of votes shall be the representative-at-large. The entire student body shall vote on all candidates. In the first semester of the following school year the Freshman class shall elect its representative to the Board in the same procedure no later than October 15th.

Section 4. The purpose of this Board shall be to coordinate, and supervise social, cultural, recreational, and educational programs or services that are conducted primarily by and for students in the Union building known as Westminster Hall.
